whatever situation I am to be content. I know how to be brought low, and I know how to abound. In any and every circumstance, I have learned the secret of facing plenty and hunger, abundance and need. I can do all things through him who strengthens me.” And now she is passing the Secret on to another soul. What is the Secret? That God in His love will strengthen us if we will fully allow Him!

Father, time takes people from us. We miss Dalton Ellis. We miss Jim Browning. We will miss the Walkers. Every time we lose someone it reminds us that we always have You. Grant us, Lord, the serenity that knows only You can make us content. Thank You for reminding us that the secret of fulfillment is trust in the Savior! Thank You for answering our prayers on behalf of our precious sister, Fran, and for the awe-inspiring example she is to all of us. In Jesus. Amen.

Blessings,
John <>

## VISUABLES - The Secret

Do you remember the Chicken Soup for the Soul books? I'd like to share a portion from one with you and then tell you why it came to mind.

"One day, one friend asked another, 'How is it that you are always so happy? You have so much energy, and you never seem to get down.' With her eyes smiling, she said, 'I know the Secret!' 'What secret is that?' To which she replied, 'I'll tell you all about it, but you have to promise to share the Secret with others.'

'The Secret is this: I have learned there is little I can do in my life that will make me truly happy. I must depend on God to make me happy and to meet my needs. When a need arises in my life, I have to trust God to supply according to His riches. I have learned most of the time I don't need half of what I think I do. He has never let me down. Since I learned that 'Secret,' I am happy.'"

Now let me share what brought that on, or perhaps I should say *who* brought that to mind. My wife, Becca, and I took Fran Browning to lunch after our service last Sunday morning. We wanted to check on how she is doing now that her precious Jim has been gone for three weeks. I must say that Fran is simply the most remarkable sister I have known. Her depth of maturity in God is blessing her with an astonishing disposition. When she told us that she is doing fine, I completely believed her. Why? One indicator is that she has recently set up a new Bible study with a woman from her past. Another is that she is sleeping soundly all night. Fran has learned the Secret.

We can't depend on people to make us happy. Only God in His infinite wisdom can do that. We can't trust in circumstances to make us happy. It's our trust in the Lord that brings true joy. Sister Browning can easily echo the Apostle, "...I have learned in
