PRAYER REQUESTS AND UPDATES

Please remember **the family of Lois Ness** who passed away last week. She had been a shut-in for several years. Her memorial service was held on Friday. **Tanner Woods** was still in the hospital at press time. **Esther Farnstrom** plans to go to Seattle to be with her sister, **Estelle**, when she comes home from rehab. Prayers asked for Estelle's continued recovery from a stroke. Mike and Penny Carr requested prayers for their daughter, **Brittany**, to find a home and get well mentally so she can be the person she used to be. Sandy Snelling's cousin-in-law, **Chip Fulton**, had a difficult cancer surgery on Wednesday but his chance of survival improved. Please remember those who are at home recovering from surgery: **Sam Flippins**, **Vic Fletcher**, and **Sharon Dayton**. **Kathy Findley** is waiting for a gallstone surgery date. **Michael Terry** is planning to move to New Mexico to be with his daughter and grandchildren.

(For those on our long term prayer list, see the monthly newsletter.)
