PRAYER REQUESTS AND UPDATES

Walter Jackson requested prayers for his friend, **Shakira**, who is having health issues and **Hunter**, who has a burst appendix. June Olsen requested prayers for **Bud and Betty Robb**. They are both in very poor health and Betty has had a stroke. **Dominga Medina** came forward Sunday requesting prayers to be closer to God and not waver. **Rod DeLaney** also came forward Sunday, requesting prayers to be humble. Jami Blewitt requested prayers for her friend, **Gina Sargis**. Her younger brother passed away suddenly. Gina and her mother, **Janet**, are having a difficult time healing. Yolanda Lomas requested prayers for her aunt, **Ofelia Hernandez**, who is having heart problems. **Kim King** requested prayers that a possible lot to put their trailer on, not only be real, but where God wants them to be. Also, for soft and loving hearts for her and **John Ernestine** and **Pierre Crayton** were both home sick last Sunday. The Alvarados want to thank everyone for praying for **Ignacio's** surgery and request continued prayers for his healing. Carol Harlan's sister-in-law, **Pat Owens**, has cancer and is not doing well.

(For those on our long term prayer list, see the monthly newsletter.)

Thom Wilson's mother, Lucille Wilson, passed away Sunday morning, September 29. There will be a memorial service early in November.

Please remember to check the foyer for sign-up sheets and activities occurring here or elsewhere.
